Dear Middle School Student,

Welcome back to the High Bridge Middle School. The staff and I are very excited for the upcoming 2018-19 year. There are many exciting and special events planned including field trips, assemblies, dances, Kid's Night Outs, Student Leadership challenges and much, much more.

This year students will be entering the building at 8:20, going directly to their lockers and then report to their first period class which begins at 8:27. Students will be allowed to carry a small bag that fits under their seat with them throughout the day to carry their books etc.

Please read through this booklet to familiarize yourself with the routines of the Middle School as well as specific procedures to follow. The purposes of the handbook is to provide guidance and information regarding the routines and procedures of the school. Should you have any questions or concerns I am happy and available to speak with you and explain topics in detail.

Middle School Homework Guidelines

The faculty of the High Bridge Middle School believes in the educational validity of work assigned to students for completion outside the classroom as a reinforcement and extension of the instructional program of the school. **Homework will make up no more than 25% of the students overall subject grade.**

Parents/guardians are encouraged to check each teacher's webpage for homework and upcoming projects. In status of assignments can always be viewed through the Genesis Home Portal.

The key to an effective homework strategy is **QUALITY OVER QUANTITY**. Therefore, the following guidelines have been established for each core subject and grade level.

Homework should be a cooperative effort among parents, students and teachers. Parents can help students by providing an atmosphere conducive to study, showing concern for the importance of homework and reviewing written assignments for quality and neatness.

Guidelines have been established for each grade level

General Guidelines	5 th grade	6 th Grade	7 th Grade	8 th Grade
Estimated Time Required at Home	<u>50 minutes</u>	<u>60 minutes</u>	<u>70 minutes</u>	<u>80 minutes</u>

If you child takes significantly more time, please contact the particular subject area teacher.

School Visitors

All visitors must report to the school's main office upon entering the building to sign-in and obtain a visitor's badge. The badge must be worn while visitors are in the building. Visitors must sign out prior to leaving the building. Visitors are to enter and exit the building by the front doors.

Change of Address

This year the Genesis Parent Portal will be opened up to allow parents/guardians to make any necessary changes their emergency contact information. Except for students participating in the school choice program, all students must attend school in the district in which they live. Failure to inform the office of an address change may result in payment of tuition fees by the parents/guardians.

Absences

Several Board of Education policies refer to excessive student absence (Policy # 5200) and retention due to lack of regular attendance (Policy # 5410). Absences due to illness and religious holidays are unavoidable and expected. After 10 absences a parent meeting with the building administrator is required, if a student is absent 20 days in a school year a report is sent to the Board of Education for their review for possible student retention.

The Board of Education has instituted the following procedure for reporting school absence or tardiness:

1. Parents/guardians are required to report the absence or tardiness of their child(ren) by telephoning the High Bridge Middle School at 638-4101, on the morning of the absence/lateness anytime prior to 8:00 am.
2. If there is no answer to a telephone call made to the parent/guardian's home, the designated school employee shall telephone the parent/guardian's place of business, as listed on the Emergency Notification form submitted for the student at the beginning of the school year. If the parent/guardian cannot be reached at his/her place of business, the designated school employee shall call the High Bridge Police Department and report the absent child.

Absence from School for the Observance of Religious Holidays

A student who desires his/her school record to show an excused absence for a religious holiday should, prior to the holiday, bring a note from home indicating that he/she will not be attending school due to the observance of the holiday. This note is to be presented to the homeroom teacher.

Vacations

Parents should make every effort to **AVOID PLANNING VACATIONS DURING THE SCHOOL YEAR**. If a family trip is taken during the regular school year, the parent/guardian must contact the main office and complete a Vacation Absence Form at least 10 days prior to the trip in order to assist the student prepare for the extended absence.

The student will be responsible to:

- See their teachers to determine make-up work and schedule missed tests
- Hand in any long-term projects due during their vacation prior to leaving.
- Complete the work within the amount of school days they were absent.
- Check the teacher's websites for missed assignments.

Family travel is considered an unexcused absence (N.J.S.A. 18A:36-14 et seq.; 18A:38-25 et seq.).

Dismissal for Illness During the School Day

No student will be permitted to leave school due to illness unless the school nurse has taken necessary steps to contact the parents/guardians and arrange for transportation. Students who are ill or have health-related problems are to seek assistance from the nurse.

Students Leaving the Building During School Hours

Any student leaving the Middle School before the end of the school day **must** be signed out by the parent/guardian or supervising adult.

Students Tardy

Students arriving in homeroom after 8:23 a.m. are considered tardy and must report to the school office for an admittance slip. **A late pass must be obtained before going to the lockers.**

Tardiness is recorded whether excused or not.

Tardiness to school or class that is caused by a pupil's illness, a doctor's appointment accompanied by a note, an emergency in the pupil's family, the observance of a religious holiday, a death in the pupil's family, or by the pupil's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.

A student with an excess of three (3) instances of unexcused tardiness during a trimester will require the intervention of the building principal or designee.

1. **4 instances of tardiness**– Lunch detention
2. **8 instances of tardiness**– **Double lunch detention**
3. **12 instances of tardiness**-After school detention

A pupil, who develops a pattern for excused or unexcused tardiness, his/her parent or legal guardian will be offered counseling with an appropriate staff member to determine the cause of the tardiness. (Policy # 5240 – Tardiness).

Repeated tardiness to class may negatively impact a student's grades. Students are required to be in school for **4 hours** to participate in a co-curricular activity, athletic program or special event.

Early Dismissal

Parents/guardians are requested not to ask that children be excused early except in cases of emergency. In such cases, a note from home requesting an early dismissal is to be presented to the homeroom teacher at the beginning of the school day. **Doctor and dentist appointments should not be made during school hours. The building administrator may give request a parent conference to discuss if a student is leaving early more than 4 times during a trimester.** The written request should contain the following:

Students with disabilities are expected to conduct themselves in the same manner as their non-disabled peers. All students are accountable to the same student code of conduct. However, when disciplining a student with a disability, it must be determined that:

1. The student's behavior is not primarily caused by his/her disability.
2. The principal will contact the CST case manager and the student's parent(/guardians.
