

High Bridge Middle School Student Leadership Contract

Name of Student Leadership Representative:

I understand that to be a part of Student Leadership I may be out of class and lunch a few times a month, as well as before/ after school so I can learn skills necessary to become a leader and for meetings and service projects. I understand that I will be asked to work in a group with either my peers or students in different grade levels. I accept that in this role, I will have an opportunity to learn about myself and grow and help make our school and community better by speaking, teaching and engaging with all students/ faculty/ leaders at our School. I will work with my teachers to make up any work that I miss. I will uphold the principles of our Student Leadership which are; **Kindness, Respect, Commitment, Community Service and Dedication** at school and away from school.

I am aware that I am required to attend meetings held after or before school. I understand that I will not miss more than one meeting unexcused or two meetings excused, otherwise I may be asked to leave the student leadership team. I recognize that if I engage in any major infractions of school rules, I may be asked to leave the student leader team in order to uphold the integrity of the program. I understand that being accepted one year does not guarantee I will be a student leader the following school year. I understand that the commitment is for the entire school year, September through June.

I will work as a positive peer to help make sure the program is successful for everyone at our School.
