Ms. Cynthia Sharkey, President
High Bridge Board of Education
40 Fairview Avenue
High Bridge, NJ 08829

Dear President Sharkey,

Congratulations! I am pleased to inform you that the High Bridge Board of Education has earned the Board Certification award through the NJSBA Board Member Academy. By meeting the Academy's rigorous standards, your board has demonstrated a high regard for effective governance and student achievement.

Because of the current public health crisis, we were not able to recognize recipients of NJSBA Board Member Academy certification at the spring county school boards association meetings. Instead, we will send you and your district leadership official notification, along with suggestions on how you can share your achievement with the community. Presentation of the plaque will either take place at a future county meeting or coordinated through your Field Services Representative.

Thank you for your understanding and your dedication to professional development.

Sincerely,

Dr. Lawrence S. Feinsod
Executive Director
New Jersey School Boards Association
