Greetings,

I recently read in the Topper Tribune that Susan Soloway will be addressing the fourth graders about county government. Soloway has a concerning reputation regarding her involvement in the January 6, 2021 Insurrection at the Capitol. Regardless of what she discusses during this presentation, I hope the school board recognizes that she's a polarizing figure and perhaps having her speak at the school may be problematic, or perceived as such.

I know the board of education in High Bridge has been working toward improving positive relationships in the community and with families. I'm concerned this is a step in the wrong direction.

I'd be happy to discuss. My contact information is below.

Best,

Robyn Ulmer
