

My name is Mrs. Sandorff and I am very excited to be your second grade teacher! High Bridge Elementary is a very special place where you can reach your goals and live out your dreams. My favorite thing about second grade is that second graders always work hard, try their best and aren't afraid to try new things!

I hope that you are having a wonderful summer filled with fun and relaxation with your family and friends. I know I am! I am married and have a son named Daniel who is starting tenth grade and a daughter named Madison who will be a sixth grader as well. This summer I went to Niagara Falls and went to the beach. Did you do anything special this summer?

We will have snack time every morning so please bring a healthy snack and a bottle of water with you on the first day. I can't wait to meet you and I'm looking forward to our learning adventure together!

Love,

Mrs. Sandorff
