CAMP OFFERINGS

THINK BEYOND BEAUTY - CENTRAL CAMPUS, FLEMINGTON

Do you love doing your hair and makeup? Want to learn style tips from a professional? Practice the latest trends in hairstyling, makeup application, nail care and nail art with daily themes. Campers will also learn about skincare, nutrition for healthy hair, skin, and nails, and communication & consultation skills.

PIT CREW - CENTRAL CAMPUS, FLEMINGTON

Start your engines! Learn about hands-on auto care & maintenance in a state-of-the-art service shop. Get your hands dirty working on engines, transmissions, brakes, tires and more to get a handle on how the family car works.

JUNIOR IRON CHEF - CENTRAL CAMPUS, FLEMINGTON

Discover the wonderful world of food and how it can be prepared in the culinary field. Campers will create basic dishes to the more unique gourmet dishes found at upscale eateries.

CONSTRUCTION TRADES - CENTRAL CAMPUS, FLEMINGTON

Want some help around the house with the honey-do list? Campers will learn the basics of carpentry, HVAC, electrical and plumbing safety, as well as PPE, and the use of power tools.

ANIMAL SCIENCE* - ESC CAMPUS, 37 HOFFMANS CROSSING ROAD, CALIFON

Wipe your paws and grab your scrubs! Interact with live animals as you learn how to handle and care for various livestock and pets. Campers will also learn about careers in animal science, basic animal nutrition, and agriculture.

** Animal Science Camp will run July 21-25*

Due to the delay of our upcoming move to the HCVSD-North Campus, we will be unable to offer the Welding EXCITE program for the 2025 season. We apologize for any inconvenience.

BABYSITTING 101 - BARTLES CAMPUS, FLEMINGTON

Love kids and want to become a babysitter? Learn how to provide excellent care for young children, including safety and proper nutrition. Campers will also gain a collection of exciting activities and projects to engage little ones.

ALLIED HOSPITAL CAMP - BARTLES CAMPUS, FLEMINGTON

Want a hands-on look at what a week in the life of a nurse is like? Learn all about patient care, taking vital signs, first aid, EKG setup, crutch and cane fitting, and more.

IT INNOVATION CAMP - BARTLES CAMPUS, FLEMINGTON

Want to learn how to build your own computer? Dive in to the basics of computer science by exploring hardware and software, coding, and cybersecurity. Campers will design their own apps and put their knowledge to the test with cybersecurity challenges.

STUDIO & DIGITAL ARTS - BARTLES CAMPUS, FLEMINGTON

Calling all artists! Explore traditional and digital art by creating animations, illustrations, graphic design, and package design. Campers will learn techniques in drawing, painting, and mixed media, as well as develop skills using industry-standard software.

LAW & HOMELAND SECURITY - BARTLES CAMPUS, FLEMINGTON

Freeze! You have the right to learn about careers in law enforcement. Learn about cyber safety, dust for prints, analyze evidence, and understand the role of law enforcement in the community with hands-on activities and scenarios.

GRAPHIC DESIGN - BARTLES CAMPUS, FLEMINGTON

Get a taste of what it's like to be a graphic designer. Create your own designs using the Adobe Creative Suite! Design logos, Tshirts, buttons and posters. Create your very own "skateboard" to take home.

NOTE: Campers should wear comfortable clothes and bring a lunch & water bottle each day.
