Dear Greg, John, and the Board of Education:

Thank you for recognizing my dedication and expertise in regards to the Preschool Program and the PEA Application last night, during the public budget presentation. I continue to designate the time it requires to ensure a quality program to the Town of High Bridge and to our School Community.

The High Bridge Community's parents of our Tiny Toppers appreciate the opportunity for a Free Public Preschool, especially now during this unprecedented time of their own future employment/income.

On behalf of myself, the ECAC, and all the educational professionals involved with the Preschool, we thank you for your continued support!

Sincerely,  
Lisa M Fallon  
Director of Special Services and Preschool
