Good Afternoon,

I truly regret having to inform you of my having to step down from my position as a member of the High Bridge School District Board of Education. I have been offered a position of employment which I have been informed would create a conflict of interest. Please share the necessary steps to officially step down.

While I had looked forward to joining board members in working to provide our teachers and students the tools needed for success within the district, accepting the position is the proper choice for my family. I am happy to share that I will be joining the Work Family Connection team at HBES and will still have the opportunity to be present, learn and provide opportunities within the school district.

Thank you greatly for your kind welcome to the BOE team. I look forward to working with you throughout the school year.

Sincerely,
Mia Baldwin
