Good morning,

I wanted to reach out to let you know I am grateful for the recognition at the BoE meeting last night regarding the March Madness of Books, however, full credit should be given to Lisa Kerr for her efforts. The idea, design, and implementation was entirely hers and I wish I could take credit for how organized an event it was and how much our student body was into it but it wouldn't be right. This was Lisa all the way and she did a great job!

Thanks and have a great week,
Kevin Jones
