Greetings Karyn,

I sometimes give my name a google search and today I came upon the minutes for the HBSB Reorganization Meeting 24-25 containing my name. In this document it says I was offered a position "as a substitute custodian for the 2024-25 school year at a rate of \$17.00 per hour, pending receipt of paperwork and background check."

I want you to understand that I was never offered this position, officially or otherwise. I had completed all of the required paperwork per the head custodian for the office. I returned the paperwork on my day off and spoke to Gregory Hobaugh and the business administrator in the office who were both completely dismissive of my query. I followed up on the position multiple while working there as a substitute teacher.

I would go as far as to say that judging by their attitudes and communications they had no intention of filling this position. I'm curious why my name would appear here?

I work at other schools now.

Regards,
