Good evening Joe,

I am so happy that you had a good experience working in the High Bridge Schools.

I am including Dr Hobaugh and Mrs. Franks on this as they would be the ones to guide you through the process.

Best regards,

Karyn Gove

Dear Ms. Gove,

My name is Joseph Bracuti, and I had the pleasure of working at High Bridge Middle School during the 2024–2025 school year as a permanent paraprofessional. I thoroughly enjoyed my time in the district—the staff was welcoming and supportive and the location was conveniently close to my home.

I am now interested in becoming a certified substitute within the High Bridge School District. I would appreciate the opportunity to schedule an appointment with the Board of Education to begin the certification process.

Thank you for your time and consideration.

Sincerely,
Joseph Bracuti
