Dr. Hobaugh,

I would like to extend an invitation to the Board of Education to share their presentation at the next borough council meeting on Thursday June 26 at the Rescue Squad building. I believe the presentation should be seen by more residents. If you would like, it can be a shorter version of what was presented on June 5th at the Special Community Information meeting and does not need to include the Q&A portion.

Regards,
Natalie Y. Ferry

Councilwoman Natalie Ferry
Board of Education Council Liaison
