

Dear Future Third Grader (and Parents),

In just a few days you will have the chance to return to High Bridge Elementary School for the start of another wonderful year! I am so excited to be your third grade teacher along with Mrs. Stacey Hubbard and Mrs. Heather Piell, who will be co-teaching with me in our classroom. Together, we will join you on your journey as you grow and learn everyday. You will have many opportunities for great accomplishments and successes throughout the year and we can't wait to get started.

A list of school supplies is on the website to help you get ready for the year. Please be sure all folders, notebooks and pencil cases are labeled with your name.

We will be having snack each day. For the first two days, Thursday 9/1 and Friday 9/2, please pack a small NUT FREE snack. You will also need a refillable water bottle to keep at your desk daily.

Homework will be assigned Mondays through Thursdays, but there may also be occasional short term project/assignment. Don't worry, this year you will be getting a "daily planner" to help keep you organized. Together we will make a great "team"!

Please bring a wallet sized picture of yourself for a special activity, by Tuesday, September 6th and ready for F-U-N! I can't wait to meet you all!

Sincerely,
Mrs. Weikert
