

Dear new Fourth Grader,

Welcome to my classroom! Fourth grade will be a busy year with many new and challenging activities.

I am looking forward to getting to know you. To help me, I'm asking that you complete the "Favorite Things" survey included. Please bring it with you on the first day of school.

We will be a school family . . . working and growing together. If we all try to be the best we each can be, together we will "Bloom where we are planted".

Sincerely,

Mrs. Lynn Hughes
