

MEET THE TEACHER!

Ms. Maurica

Welcome To Preschool

HELLO! I am so excited for the new school year. I look forward to being your teacher and getting to know all my students and their families. It's going to be an amazing year filled of laughter, fun, and learning. Are you ready for a great year?

About Me

I enjoy spending time at the beach and with my family. When I am not doing those two things, I spend many hours learning, preparing lessons and activities for the school year.

I am certified in Early Childhood and Special Education. I have many years experience working in Early Childhood and I have taught preschool for over 8 years. As a teacher, I strive to get to know each child and to provide a nurturing and safe learning environment.
