## MrS. Carley Marookian

### WELCOME

HELLO! My name is Ms. Carley and I am one of the preschool teachers at High Bridge School District. We are going to have FUN and we will **learn** so much this year!

### ALL ABOUT ME

This is my eleventh year in teaching and my fourth year at High Bridge School District. I graduated from Kean University with a teaching degree in Early Childhood Education and Special Education and have my Master's Degree in Education with a Reading Specialist Certification from Centenary University. My mission as a teacher is to help children discover a joy of learning, to help children build a strong foundation of skills, and to make them the most independent students as possible.
